USDA photo service to Farm Magazine and Newspaper Editors. Glossy prints (8 x 10) of any of these photographs may be obtained by writing direct to Charles T. Myers, Jr., Division of Photography, Office of Information, U. S. Department of Agriculture, Washington 25, D. C. Please mention negative number of photograph when requesting prints.

- 1-FS-479941 A forest ranger and his assistant are shown here scaling spruce logs from a timber sale on the Boise National Forest near Cascade, Idaho.
- 2-FS-479853 Here a track-type tractor is clearing a logging road on a timber sale in Boise National Forest.
- 3-FS-479858 A Kenworth logging truck being loaded with ponderosa pine logs in Boise National Forest.
- 4-FS-448794 Spruce and pine logs are loaded onto a truck with a Hystaway Loader mounted on a Cat D-7. The location is Oxford County, Maine.
- 5-FS-449885 In this operation, the white ash logs are fastened to the tractor, or together in tandem, with so-called single coupler grabs. The location is Chemung County, New York.
- 6-FS-443518 Here, in Cumberland County, Maine, a small 4-wheel farm tractor is used to skid a white pine log out of a farm woodlot.
- 7-FS-443520 Farmer C. L. Lothrop (left) shows Farm Forester Bob Dinneen the winch attachment he made from an automobile transmission and welded to his farm tractor. The location is Cumberland County, Maine.
- 8-N-18019 Shown here is a portable saw mill near Williston, Florida.
- 9-FS-480297 A scenic shot of South Fork Salmon River about 2 miles South of Krassel Ranger Station in Payette National Forest in Idaho.
- 10-FS-479764 A forest ranger runs boundary line of timber sale with compass and Jacob staff in ponderosa pine stand in Payette National Forest.
- 11-FS-479772 A forest ranger using an increment borer to determine growth rate in a timber stand in Boise National Forest, Idaho.
- 12-FS-480292 A truck load of logs going up Lick Creek Canyon in Payette National Forest headed for the Brown Tie & Lumber Co. Mill at McCall, Idaho.
- 13-FS-479778 Shown here is a forest fire dispatcher, at radio, and a forest ranger at fire location board at Cascade, Idaho, of the Long Valley Ranger District.
- 14-FS-479437 Here a tank truck plows through pumice sand for direct attack on a fire. A helicopter directs fire-fighting operations. The location is Shasta-Trinity National Forest in California.
- 15-FS-479441 A walkie-talkie keeps the fire line boss in constant contact with all segments of fire-fighting forces.
- 16-FS-479722 A smokejumper adjusts his parachute before takeoff to fire on Salmon National Forest at Virginia Gulch in Idaho.
- 17-FS-480165 A scenic view of forest and Sawtooth Mountains taken from Route 21 about 4 miles South of Upper Stanley in the Challis National Forest in Idaho.
